SUPPLEMENTARY INFORMATION:

On April 5, 2021 (86 FR 17621) (FR Doc. 2021-06929), HUD published a Notice of Intent in the Federal Register entitled “Notice of Intent To Prepare a Draft Environmental Impact Statement (EIS) for the One San Pedro Specific Plan Project in Los Angeles City, California.” For projects that require an Environmental Impact Statement (EIS), the Responsible Entity, as defined in 24 CFR 58.2(a)(7), must provide a Notice of Intent (NOI) to begin the public scoping process in accordance with the National Environmental Policy Act of 1969, as amended, 42 U.S.C. 431 *et. seq.* (NEPA); the Council of Environmental Quality (CEQ) NEPA Regulations at 40 CFR parts 1500-1508; and HUD implementing regulations at 24 CFR part 58. The April 5, 2021 NOI provided notice that the Housing Authority of the City of Los Angeles (HACLA) proposes to carry out a Section 18/Rental Assistance Demonstration (RAD) demolition/disposition through a ground lease and to use a combination of RAD Project-Based Vouchers (PBV), Tenant Projection Vouchers (TPV), and PBV authorized by the U.S. Housing Act of 1937, as amended (USHA), to redevelop the Rancho San Pedro public housing project site.

The City of Los Angeles, through the City of Los Angeles’s Housing and Community Investment Department (HCID), is acting as the Responsible Entity for the Rancho San Pedro public housing project. As the California Environmental Quality Act (CEQA) similarly requires an Environmental Impact Report (EIR), HACLA and HCID intend to produce a combined EIR/EIS for the project. A Public Scoping Meeting for CEQA issues was held on February 6, 2021. The April 5, 2021 NOI gave notice of the next Public Scoping Meeting, specifically about NEPA issues, to be held virtually on April 27, 2021. The NOI provided an incorrect Zoom link and incorrect call-in information. This notice provides the correct Zoom link and call-in information.
